DETAILED ACTION

Allowable Subject Matter

1. Claims 13-38 are allowed.
2. The following is an examiner's statement of reasons for allowance: The closest prior art of record is Dungworth et al., US 6,329,057, as applied in the previous office action. Applicant has narrowed the genus of cationic polymers which form the outer coating to recite only polymers which are not disclosed or motivated by the reference. Accordingly, the claims are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
